

Annex B**Confidentiality Agreement**

Utku B. Demir, 27.01.1988, member of project team ZSI - SIVOCS, undertakes to:

1. handle all SNSF-data (confidential data and information) that is not publicly accessible in accordance with the contract signed in May 2021, in particular:
 - personal data,
 - information relating to the activities of the SNSF or of the research institutions,in the strictest confidence during the research project and after its completion,
2. use this confidential data and information in accordance with the planned objectives notified to the SNSF in the contract of 12.5.2021, in particular:
 - only process the data for the purpose for which they were transmitted
 - not reuse, transmit or make any other use of the data without the consent of the SNSF
 - destroy the data received from the SNSF, including copies, on request or at the end of the contract term and inform the SNSF of the destruction of the data without delay
 - ensure that the confidentiality agreement is implemented and enforced within their organization,
3. ensure not to contact third parties (e.g. applicants, peer reviewers, panel members etc).
